	<p>I am writing to express my interest in serving on SSPBT. I have seen De Anza go through many changes including a new President. De Anza has grown and even flourished during the COVID Pandemic. I'd like to be part of that growth and know there is much more I can do. Not only am I a team player, but I am adaptable with the times. I am asking for your vote because I'd like to continue to build upon the connections we have established with our students and all the other departments across campus.</p> <p>As a faculty member I have:</p> <ul style="list-style-type: none"> ● Taught ALL Counseling Division courses except HUMA 30 ● Served as the Co- SLO Coordinator ● Served on Academic Senate ● Served on Student Services Planning and Budget Team (SSPBT) ● SSRS Counselor and coordinator of SSRS events ● Career Services Team Member ● Equal Opportunity (E.O.) Rep ● Instructional Skills Workshop (ISW) facilitator and trainer ● Counseling Equity Chair <p>My personal experience, educational background and work experienced have allowed me to see situations and opportunities through multiple lenses. Some lenses were dark and shady while many others were clear, colorful and visionary. I want continue to use these various lenses as a tool so that I be a part of change and provide all possible support for students and faculty from diverse backgrounds which would include academic, socio-economic, ethic, religious, and cultural backgrounds, disability, sexual orientation and preference so that we as a whole and continue to thrive and reach our goals.</p>
